STATE OF WASHINGTON
OFFICE OF THE INSURANCE COMMISSIONER

In the Matter of

Xelan Insurance Company, et al; Doctors
Benefit Insurance Company, Ltd; Doctor's
Insurance Services, Inc.,

NO. DOS-99

REQUEST FOR HEARING

Unauthorized Entities, and

Lewis Donald Guess; Nigel J. Bailey;
Richard Robert Bright; Kim Martin
Atwater; John R. Patton, Esq; Boyce H.
Goff, Sr. and Craig P. Morgan,

Principals.

Pursuant to RCW 48.04.010(1)(b) and (5), the "Entities" and the "Principals" represented by the undersigned" request a hearing on the attached Order to Cease and Desist before the Office of Administrative Hearings.

The "Entities" and "Principals" are aggrieved by the OIC Order to Cease and Desist in that it limits and/or prohibits the lawful transaction of business and/or insurance and purports to compel a "refund". There is no legal or factual basis for such "refund" as value was received by all "Washington residents" and because Title 48, RCW does not authorize penal refunds.
